8. I understand and acknowledge that Union College assumes no responsibility or liability, in whole or in part, for any delays, delayed or changed departure or arrival times, fare changes, dishonors of hotel, airline or vehicle rental reservations, missed carrier connections, sickness, disease, injuries (including death), losses, damages, weather, strikes, acts of God, circumstances beyond the control of Union College, force majeure, war, quarantine, civil unrest, public health risks, criminal activity, terrorism, expense, accident, injuries, damage to property, bankruptcies of airlines or other service providers, inconveniences, cessation of operations, mechanical defects, failure or negligence of any nature however caused in connection with any accommodations, restaurant, transportation, or other service or for any substitution of hotels or of common carriers beyond Union College's control, with or without notice, or for any additional expense occasioned by any of the foregoing. If due to weather, flight schedules or other uncontrollable factors I am required to spend additional nights, Union College will not be responsible for my hotel, transfers, meal costs or other expenses.

9. I acknowledge and understand that should I have or develop legal problems with any foreign nationals, the government of the host country, or any legal official in the United States, I will attend to the matter personally with my own funds. Union College does not guarantee what, if any, assistance it can provide under such circumstances.

10. I acknowledge and understand that in the event I become detached from the Academic Program group; fail to meet a departure bus, airplane, or train; or become sick or injured I will bear all responsibility to seek out, contact, and reach the Academic Program group at its next available destination; and I understand that I will bear all costs attendant to contacting and reaching the Academic Program group at its next available destination. All services and accommodations are subject to the laws of the country in which they are provided.

LIVING ARRANGEMENTS

11. Union College does not in any way warrant or make any representations as to the conditions or standards of my living arrangements or assure that different students on the Academic Program will have equal accommodations or accommodations with the same proximity to the classes. I understand and acknowledge that there is significant variety in possible living arrangements.

CONDUCT

12. I understand and agree that I am subject to the Student Code contained in the Union College Student Handbook and therefore the disciplinary point system while on the Academic Program. Furthermore, I understand and agree that Union College, and Union College's program directors and/or course instructors, have the authority to establish the rules necessary for the operation of the Academic Program. The following policies are incorporated by reference and made a part hereof: (i) International Programs [Code of Conduct](#), (ii) [Health and Medical Form for International Travel](#) (addresses medical emergencies overseas), and (iii) [Tuition and Credit Guidelines](#). They have the sole discretion to decide that a student should be separated from the Academic Program because of a violation of such rules, for disruptive behavior, for conduct which could bring the Academic Program and/or Union College into disrepute, or for conduct which violates any policy or procedure of Union College. The decision to so separate the student shall be final. I understand and agree that use or possession of narcotics, or any other illegal substance, while on the Academic Program is expressly prohibited. I understand that if I am required to leave the Academic Program, I may be referred to the appropriate Union College officials for further disciplinary or other action. In such an event, no refund will be made for any unused portion of the Academic Program. In addition, I understand that I will return home at my own expense.

EXCURSIONS, OUTINGS, OFF-HOURS AND BREAKS

13. I agree and acknowledge that Union College cannot and shall not be held responsible for my safety needs or well-being during any period in which I am not directly participating in the Academic Program (including off hours and breaks). I further agree and acknowledge that Union College cannot monitor or control all of the daily personal decisions, choices, and activities I may elect to make and will not accept responsibility if I elect to engage in illegal, dangerous, or unwise activities. Additionally, Union College assumes no responsibility for the actions of persons not employed or otherwise engaged by Union College or that are beyond the control of Union College. I also recognize that I do not have the right to use my own automobile or to provide my own transportation at any time during the Academic Program.

14. I agree that while participating in Academic Program-sponsored excursions or outings (if any), if I wish to have family or friends participate, Union College must give written permission and such family or friends must sign a separate agreement provided by Union College releasing and indemnifying Union College from any and all injury or damages that may be sustained by such family or friends while participating in the activity.

ACKNOWLEDGEMENT OF INHERENTLY DANGEROUS ACTIVITIES AND ASSUMPTION OF RISK

15. Knowing the dangers, hazards, and risks of such activities, and in consideration of being permitted to participate in the Academic Program, on behalf of myself, my heirs, and personal representative(s), I, the

undersigned, do hereby agree to assume all the risks and responsibilities surrounding my participation in the Academic Program, the transportation, and in any independent research or activities undertaken as an adjunct thereto, and in advance do hereby release and forever discharge, waive, and covenant not to sue the Releasee from and against any and all liability for any harm, injury, damage, claims, demands, actions, causes of action, costs, and expenses of any nature whatsoever which I may have or which may hereafter accrue to me, arising out of or related to any loss, damage, or injury, including, but not limited to, suffering and death, that may be sustained by me or by any property belonging to me while in, on, upon, or in transit to or from the premises where the Academic Program or any adjunct to the Academic Program occurs or is being conducted.

16. I understand and hereby acknowledge that I have reviewed the U.S. Consular Information found at http://travel.state.gov/travel/cis_pa_tw/cis_pa_tw_1168.html, as well as the Centers for Disease Control information at <http://www.cdc.gov/> and <http://www.cdc.gov/travel/>, on travel to, in and around the site of the Academic Program. Union College will make this information available upon request. I am aware of and understand the risks and dangers of travel to, in and around the site of the Academic Program, including but not limited to the dangers to my own health and personal safety posed by the use of public transportation in and around the site of the Academic Program, and by civil unrest, political instability, terrorism, crime, violence, and disease in and around the site of the Academic Program. I acknowledge that in living and traveling in major international cities I may experience increased crime, pollution, high population density, or standards of living and health standards that are not equivalent to life in the United States. Students must take every precaution to safeguard their health and to protect their personal belongings from theft. I acknowledge that Union College recommends that I never travel alone, particularly at night. I hereby assume, knowingly and voluntarily, each of these risks and all of the other risks that could arise out of or occur during my travel to, from, in or around the site of the Academic Program.

MEDICAL INSURANCE AND MEDICAL NEEDS

17. I understand that Union College assumes no liability for any medical, hospital, other health care provider and/or related expenses incurred by me while on the Academic Program. I acknowledge that I have purchased international insurance offered by Union College and have read and understood the HTH Student Accident and Sickness Insurance Policy and the Policy exclusions. I agree to be bound by the Policy.

18. I understand and agree that Releasee does not have medical personnel available at the location of the Academic Program or on the campus. I understand and agree that Releasee is granted permission to authorize emergency medical treatment, if necessary, and that such action by Releasee shall be subject to the terms of this Agreement. I understand and agree that Releasee assumes no responsibility for any injury or damage that might arise out of or in connection with such authorized emergency medical treatment. I further understand and agree that Releasee assumes no duty or responsibility for securing appropriate medical care, nor for the negligence for those providing such medical care; and I agree to release and waive any and all claims against the Releasee from securing medical care. It is expressly acknowledged and understood that the authorization provided herein does not create a special relationship between the parties. If I am required to be hospitalized while in a foreign country or in the United States during this Academic Program, Union College cannot and does not assume any legal responsibility for payment of such costs.

19. I am aware of my personal medical needs, am aware that Union College cannot be and is not responsible for attending to any of my medical needs, and hereby assure Union College of having consulted with a medical doctor with regard to any personal medical needs. I further hereby assure Union College that I have assumed all such risks and responsibilities. I agree to report to Union College any physical or mental condition I have which may require special medical attention or accommodation during the Academic Program at least 30 days prior to departure.

FINANCIAL OBLIGATIONS

20. I understand that if I incur and fail to pay any financial obligations associated with the Academic Program, including but not limited to damages to living or educational accommodations, unpaid fees for travel, contractor services, etc., such failure may cause my grades and records to be withheld until I satisfy such financial obligations.

21. The base cost of a full term abroad is one-third of Union's comprehensive fee, which may differ from the fees of program providers. The College charges an additional fee for each faculty-led term abroad to fully cover tuition, room, board and group excursions. The cost of the engineering exchange in the Czech Republic and the term abroad in Japan is one third of the comprehensive fee. The Antwerp, Belgium and the Lille, France economics exchanges and the engineering exchange to Ankara, Turkey, are tuition only programs. Students pay for their room and board in Belgium, France and Turkey. There are no group excursions on the exchange programs. The mini-term fee includes tuition, room, board and excursions. In all cases, students are responsible for arranging and paying for round-trip airline travel to the destination, passport fees and visa fees (if necessary). The College does not arrange group travel. Schedule A summarizes the tuition and fee schedule for all of Union College's study abroad programs.

WITHDRAWAL FROM A PROGRAM

22. I understand that if I withdraw from an off-campus program, my deposit will be forfeited. In addition, I may be responsible for additional expenses incurred by Union College beyond the deposit if I withdraw from the program while it's in progress or less than 60 days before the program arrival date. Refer to the Union College International Programs (Study Away) Withdrawal Policy that is incorporated by reference into this Agreement. Students/Parents are advised to review the Policy in Schedule B.

23. I am aware that if I withdraw from the off-campus program after arrival at the program site, I may not return to campus to take classes that semester except under extraordinary circumstances, as determined by the Dean of Studies, the International Programs Office, and the Dean of Students.

MISCELLANEOUS

24. In signing this Agreement, I acknowledge and represent that I have fully informed myself of the content of the foregoing Waiver of Liability and Hold Harmless Agreement by reading it before I sign it, and understand that I sign this document as my own free act and deed; no oral representations, statement, or inducements, apart from the foregoing written statement, have been made. Union College International Programs (Study Away) Withdrawal Policy

The success of study away programs from the Union campus requires student commitment well in advance of the anticipated dates of the term of study. When a student withdraws after having made a commitment to such a program, it may be too late to offer the spot to another student who was willing and able to participate. Also, Union College incurs expenses well before a program begins that cannot be recovered when students withdraw. In the case of mini-terms, withdrawals can jeopardize the viability of the program. The International Programs Withdrawal Policy is designed to prompt students to consider their commitment to the program to which they have applied in light of the financial consequences of withdrawal. This policy applies to all Union -and non-Union study away programs, including mini-terms.

Initial Deposit

A deposit of \$350 is required for all programs. Payment of the deposit signifies the Union College student's commitment to participate in the program.

The deposit will be credited on the student's billing account provided that:

- The student fully completes the program, OR
- Union College cancels the program (e.g. on account of security concerns)

The student will forfeit the deposit if the student withdraws from a program or cannot participate in the program, either partially or entirely, for any reason other than Union College canceling the program.

Other Charges/Credits

Item	Prior to Program Start Date	On/After Program Start Date
\$600 Study Abroad Fee, if applicable	Credited to student account	Pro-rated based on percentage of time abroad
\$50 (\$30) Health Insurance Fee for full-term (mini-term)	Credited to student account	No reimbursement
Allowance (meals, internal transportation, cell phone, etc.), if applicable	Credited to student account	Pro-rated based on percentage of time abroad

If you withdraw from the program or do not complete it in its entirety and have received a fellowship, you may be responsible for re-paying it. Contact Financial Aid if you have taken loans from Union.

Additional Withdrawal Fee

Unless one of the exceptions listed below applies, a student who withdraws from participation in a program or is no longer allowed to participate because of Union College disciplinary sanctions will be charged a withdrawal fee in addition to the aforementioned forfeited deposit. The withdrawal fee is based on the date of official withdrawal, as indicated in the table below. Official withdrawal occurs when a student informs the International Programs office of the withdrawal in writing or the International Programs office informs the student of his or her ineligibility to participate.

<u>When Official Withdrawal Occurs</u>	<u>Withdrawal Fee</u>
More than 60 days before the start	\$0
59-31 days before the start*	\$2000
30 days before the start*	\$3150 (mini-term), \$3500 (all other programs)
During the program	\$3150 (mini-term), \$5000 (all other programs)

*If a student withdraws before the start of a program, Union College will make a good faith effort to replace the student with another qualified student or to obtain a refund from its overseas providers; the withdrawal fee will not apply if a replacement student is found or to the extent that the College obtains a refund.

Exceptions to Withdrawal Fee:

Students will not be charged the withdrawal fee if any of the following occurs:

- The student withdraws from Union College for medical reasons during the program in accordance with Union College's medical withdrawal policy.
- A documented medical situation occurs before the start of the program that prevents the student from participating in the program.
- A student becomes ineligible to participate in the program because of insufficient overall GPA.
- A student becomes ineligible to participate if, in spite of following the proper procedures in a timely manner, the student was denied a visa by the host country.
